FAIR FIELD NEWS

Issue 7 15.06.18
Summer Term

Dear Fair Field Parents and Carers,

What an exciting two weeks it has been since we returned from our half term break. We had the photographer in taking some action shots of the children during their learning for our school website; two lower school trips (see photos below); Year 6 have been busy rehearsing for their production and 5F had their first swimming lesson! Also, some Year 3 pupils took part in a Maths competition at Edge Grove with Mrs Massey and they did extremely well!

We also 'kicked off' the half term by talking about the World Cup in some of our assemblies, including sharing facts about the teams that will play against England. In addition, each class picked 4 countries out of a hat from the 32 participating, to support until the last match.

In other news, Year 2 made their first visit to Fair Field on Wednesday for the start of their computing sessions and it was lovely to see so many siblings and excited children ready to start in September.

We have the PTA disco tonight and also some of our children are performing at the Radlett Centre tomorrow (see flyer below) so we wish them luck! Wishing you a wonderful weekend.

Yours faithfully,
Mrs Aharon and Mrs Devlia

Year 3 Trip to Verulamium

On 5th June, Year 3 went to Verulamium Museum in St Albans. At the museum, they had a workshop where they were able to handle objects that were almost 2000 years old. Some of the children even dressed up as the Romans did. They looked around the museum, intrigued by the artefacts that had been discovered in and around St Albans. They learnt about life in Roman times, as well as some elements of Celtic Britain. After lunch in the park, we walked to the Hypocaust and the children could see a Roman, under-floor heating system. We also found time to visit the ruins of the Roman wall, which used to surround the town of Verulamium.

Year 4 Trip to Hatfield House

On 5th June, the year 4s enjoyed a fantastic trip to Hatfield House. They were transported back to the Tudor times and upon arrival were greeted by Nicholas Man of arms, who gave a dramatic performance explaining the life and times of the 1500s. Thereafter, they had a guided tour around the premises before meeting Catherine Parr and Thomas Tallis who prepared them for their meeting of Henry VIII. When meeting Henry VIII, they paid reference and performed a song, *Sumer is Icumen In* for his enjoyment. The interactive workshops were a wonderful visual representation of their learning and the year 4s experienced living history and a taste of Tudor life. The visit ended with lunch in Bloody Hollow before returning back to school and the 21st century.

Have a good weekend from all the staff of Fair Field Junior School.
