FAIR FIELD NEWS

Issue 6 25.05.18
Summer Term

Dear Fair Field Parents and Carers,

This newsletter is the last of the half term – the Summer Term is flying! We've had lots on but also lots to look forward to after half term. We have trips to Verulamium Museum (Y3), Hatfield House (Y4), the Isle of Wight (Y6) and Y5 will continue their swimming lessons. We have Sports Day, the Upper School Production and moving up day near the end of term for children to meet their new teachers or visit their new schools.

Thank you to all the parents, carers, staff and children at Fair Field for making it the wonderful school it is to work in. Have an enjoyable half term and we look forward to seeing you on the 4th June.

Yours faithfully,
Mrs Aharon and Mrs Devlia

Mary Button (one of our school governors) sends huge congratulations to all the children in the school for all their hard work so far this year. She has been very impressed with the quality of work our children have produced and wanted to say well done. She wishes everyone (staff, parents, carers and children) a lovely half term.

Walk to School Week

Well done to all the children (and parents and carers) who have encouraged their children to walk, scoot and/or cycle to school this week! We've had lots of children making the effort to walk which not only helps them to keep fit but also reduces the pollution.

A particular well done goes to Zak (4 times) and Bonnie (2 times) in 6I who walked from Borehamwood. Well done to you both. Thank you to Mrs Barry for organising a successful walk to school week.

Year 5 Graffiti – Report by Sophie 5T

This week, Year 5 has been looking at the advantages and disadvantages of graffiti, while doing some of our own. We have researched the pros and cons of graffiti to help us in the burning debate against each other. Class 5T had a surprise visitor, who kept his identity fairly secret, as he was wearing a mask and disguised his voice although proclaiming to be Banksy. In addition, we sorted pictures under the title of graffiti and art. It turned out that a lot of what we thought there were art, were actually graffiti, leading us to argue that graffiti is art. That's what the motion is of our debate, with 5T as the proposers and 5F as the opposition. This argument is going to be too hot!
