Tuesday 2nd February 2021

Dear Parents/Carers,

Aspirations Week Monday 8th – Friday 12th February 2021

You may have read in the newsletter that next week is Aspirations Week. The children will be immersed in a different curriculum for the week, in which they will have the opportunity to learn about a variety of careers. This curriculum will not involve the traditional format of the 3 live lessons. There will be a selection of talks to attend daily. Children can choose a job that interests them. Our speakers come from a wide range of fields, providing exciting insights into many professions for the children. They are asked to attend **one in the morning and one in the afternoon** however can attend more. They will hear from individuals about how they came to work in their field, the qualifications they needed, the highs and lows to their job and any other exciting parts! The children will have opportunities to ask questions at the end of each session.

Following up from the live sessions there will then be a short activity to complete afterwards to upload to Google Classroom. These will build upon the information they have learnt. Each day will have a loose theme as detailed below. Activities and speakers will be based around these fields. We hope you will agree the week will provide exciting opportunities for the children to think about different professions and enable them to learn more about what different careers entail.
