## Aspirations Week Monday 8<sup>th</sup> – Friday 12<sup>th</sup> February 2021

We now have an exciting timetable to talks arranged for next week. Please discuss with your child which talks they will attend. We ask that they attend 2 a day and complete one of the activities to follow it up each talk. These activities range from fact files to role play. The links and activities will go “live” each morning.

The children will all need to log in for registration at 9am, where their teacher will discuss with them the theme of the day and give them some more information about the talks available.

We hope that, although the format for the week is different from our usual routine, the children and yourselves will embrace this change and enjoy the variety of insightful talks and activities. The activities are cross-curricular and cover a wide variety of skills and subjects. The activities will all be marked, as usual, and children should produce high quality work. We will be selecting examples of children’s work to put on our school website.

In addition, there is an online reading assessment for the children on Tuesday. We ask that they complete this independently. Should you wish to maintain some maths throughout the week the children continue to have access to My Maths and TT Rockstars.

The following table gives an outline of the week.
