## Spring Term Issue 5

Friday 5th February 2021

FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

This week we encouraged the children to focus on their health and well-being and we hope that you are managing the balance of live lessons alongside everything else. Feedback from parents has been very positive and we respect that everyone's situation is different. If you have any issues or concerns please try to raise them with me or my team—we are very approachable!

Next week the format of the week is designed to encourage the children to think for themselves about what careers they would like to learn more about. There are so many to choose from. We would like to thank in advance all our volunteers for giving up their time to inspire the children.

For key workers or those who need extra support our holiday camp is now taking bookings. If you have any queries please contact the school office.

After half term the children will be using the last week of the pack we provided and there will be opportunity to collect another one. We are waiting for more Government advice before deciding how many weeks to send out. You will also notice there will be an opportunity to purchase a signed book on Gateway next week. These books will be signed by one of two authors who will be virtually meeting the children on World Book Day .

Wishing you a restful weekend

Mrs Goodwin & The Fair Field Team

### Aspirations Week

We are excited to announce that next Week is Aspirations Week. Please see the timetable below of speakers. We are asking the children to attend 2 talks per day that they think may be of interest to them.

The children have been asked to log on to the class live session at 9am every day where they will receive daily information from their teacher.

There are a range of follow up activities for them to choose from, which they can then complete and upload. The week is designed to give children an insight into a wide variety of career options to aspire them for the future. I am sure you agree that this is a valuable part of educating children—particularly at a time when hope is so valuable! The children are still able to complete or upload and learning from the last 5 weeks and access My Maths & TT Rockstars if you wish.
