## Spring Term Issue 1 10.01.20

Dear Parents and Carers,

Happy New Year! We hope you had a good break. The children have come back with brilliant energy this week and we've had a great start to the term with our new timetable. The timetable allows for more topic work and we are excited for the launch of our new history curriculum this term.

We also are increasing the options of activities at lunchtimes. There are rotas for the table tennis tables and various sports with Mr Flynn (on both playgrounds) such as cricket, tag rugby, football and basketball. The ICT suite is open on a rota for children to use. The library is now also open with games and speed stacking.

Please remember that the children must not be dropped off before 8:30am as they will be no staff to supervise them in the playground. Also PLEASE drive safely at the back of school: where possible drive clockwise around the square, do not park on the corner where the children cross the road and please please be aware of other children when you are manoeuvring your car.

You may also notice there will be no class assemblies this term – we are going to have 1 class assembly a year moving forwards.

Thank you for all you support with our changes!

Mrs Aharon & Mrs Goodwin

### Unwanted games

To top up our supply of games for lunchtimes, we were hoping parents may have unwanted or unused games at home. We are particularly looking for Uno, Connect 4, Dobble or dominoes sets. However if you have any games that you think might be appropriate then please bring them into Mrs Goodwin.

### Healthy Snack

The children now have their mid-morning snack in the classroom, as we have moved break time a little later.

The staff have noticed that lots of the snack aren't adhering to our Healthy food guidelines.

Please make sure that from next week they do, otherwise they will not be allowed to have them in school.

Snacks such as fruit or bars (no chocolate) are completely fine. Thank you for supporting us to educate the children about making healthy choices for their future.
