FAIR FIELD
JUNIOR SCHOOL

Dear Parents and Carers,

It has been another busy week here at school with many of our children taking part in numerous competitions throughout the week. We are always incredibly proud of the way our learners represent Fair Field and are excited about creating opportunities for all children to compete in activities that allow them to express their talents.

It is always special for us when our children have the opportunity to experience their learning in a practical way and this week our Year 3's had a fantastic time visiting Celtic Harmony in order to discover and experience what life was like thousands of years ago.

A reminder that school closes at the usual time next Friday and we look forward to a great last week of the half term.

Have a great weekend.
Mrs Aharon & Mrs Goodwin

Year 6 Bikeability

A reminder that the Year 6's will be taking part in the Bikeability workshops next week. Children need to please remember to bring their bikes and helmets to school on Monday. They are welcome to leave their bikes at school for the week but need to remember to bring a chain and padlock in order to secure their bikes.

We are looking forward to a week of fun and learning as we spend time developing our skills on our bikes.

Fair Field Superstars

3 Walliams	Tyler and Rassim
3 Blyton	Rosie and Reggie
4 Morpurgo	Cami and Frankie
4 Rowling	Willow and Charlie
5 Ridley	Ray and Brooke
5 Pullman	Sienna and Ayub
6 Rosen	Koray and Ruby
6 Blackman	Sophie and Max

Times Tables Awards

3 Walliams	Ruby
3 Blyton	Ollie
4 Morpurgo	Jesse
4 Rowling	Martha
5 Ridley	Hannah
5 Pullman	Stefan
6 Rosen	Aditi
6 Blackman	Albert

5 th March	World Book Day	All
9 th March	SATS Mock Week	All

New/changed dates are in red

Year 3 trip to Celtic Harmony

On Wednesday, 5th February the Year 3's travelled back in time to over 5000 years ago to visit the Stone Age on our trip to Celtic Harmony. We experienced elements of the Stone Age, Bronze Age and Iron Age by visiting round houses, making our own clay pottery and grinding our own flour using heavy stones. We saw artefacts and tried our hand at making our own spear heads from soap. We finished our day by listening to an ancient tale around a smoky fire. We arrived home muddy and exhausted from a fantastic day. Although a great day was had by all, we have decided that we prefer the advancements of modern times.

Hockey Competition

This week our hockey team took part in the finals of the local competition. The competition was a round robin format in which Fair Field played matches against 5 others schools. The team members demonstrated some excellent individual talent but really stood out as a team that worked collaboratively and as a result they went on to, not only win all 5 of their matches, but also the entire competition.

The team will now be going on to represent Hertfordshire at the County competition later in the year.

The team has worked really hard, putting in extra hours of practise and we are so proud of them for what they have achieved. A huge thank you to Mr Smith who has given up so much of his time to coach and support the team, we really do appreciate it.

Keep practising and working hard and we look forward to hearing about your achievements in the next round.

Keep in Touch

Speed stacking

Our team of Year 4's cleaned up this week in the final round of the speed stacking competition. Competing in 3 rounds, against 7 different schools, our team showed determination and great collaboration as they worked together to come from behind to ultimately win the competition.

We are very proud of them for the hard work and time that they put into preparing for this competition and wish to congratulate them on their well deserved victory.

Congratulations!

Maths competition

On Tuesday evening, 4 of our Year 5's represented Fair Field in a Hertfordshire Maths competition.

There were 17 schools represented in this heat and the competition was made up of 4 rounds: 2 general maths questions, a memory and an estimation round.

We are incredibly proud of the way our learners represented us and of the high standard of questions that they were able to tackle and complete with confidence.

Well done!
