FAIR FIELD  
JUNIOR SCHOOL

Dear Parents and Carers,

Despite the weather, we remained sunny at Fair Field this week. On Tuesday we embarked on our new tennis initiative which has been a real hit (excuse the pun) with the children. We also said a sad farewell to Mrs Merritt, who is leaving us to do something different now her children are older. We wish her every success in this new chapter. Mr Forester, who has become a familiar face here and a firm favourite with the children & staff alike, will be replacing her. He will also continue through the latter part of the week after Easter, when Mrs Cavalier begins her maternity leave. Year 5 gave us an informative Mini Police assembly, attended by the Chief Commissioner himself! Next week is World Book Week and on Thursday we will be holding a non-uniform day, which includes a special lunch. Year 6 had a wonderful day at Harry Potter, immersing themselves in the world of wizardry and magic! This week we also welcomed the Dog's Trust, who held workshops for the children.

Wishing you a restful and dry weekend!

Mrs Aharon & Mrs Goodwin

## World Book Day

Next week is World Book week and the children will be doing many fun and inspirational activities to celebrate our love of reading. On Thursday, we have told the children they can come to school wearing pyjamas or onesies and bring slippers, a teddy and a blanket if they wish. We will also be offering packed lunch children the opportunity to have school dinner on that day, which will be in the form of a Peter Rabbit tea party. A menu will follow on Monday.

## Harry Potter

Year 6 visited the Warner Brothers studio tour this week as part of their English unit. They took part in a workshop that delves into the Art of Foley, which looks at how sound effects are added to film. They worked in groups to use everyday objects to create sound effects for clips from the films. Amongst the array of attractions the children rode a broomstick and experienced the new Gringotts Bank.

### Homework

You will now notice that homework for Years 3-5 has a slightly different format. Each week the children will have instructions for their home learning in their folder, detailing either comprehension or maths work. Combined with this, they are being asked to practice their times tables and their spellings weekly using the resources in their folder. We would like them to complete their home learning on the pages that follow the sheet that is stuck in, ensuring they think about their presentation.

### Dogs Trust

This week the Dogs Trust gave workshops, which looked at how to keep safe around dogs and ways to care for your dog. The children were reminded to always be respectful to all animals.
