## Spring Term Issue 7 28.02.20

Dear Parents and Carers,

We have had another packed week! We started the week by attending a Year 4 football festival, followed by our first ever gymnastics competition on Tuesday with some of our Year 3 and 4 children. They all performed superbly and we felt very proud of how smart and professional they all looked. We also collated the entries for our scientist poster competition and revealed the winners. Throughout the week children have been producing some outstanding work based around the book "The Dot" by Peter Reynolds.

Please can we remind you that Parents Evening dates are now available to book online. You can create yourself a log in if you don't already have one and choose a time slot. It is really important that you come and meet with your child's teacher to celebrate in their learning and achievements. We expect all parents to attend, unless you have got in touch to discuss another time, as you are unable to make the days given. Thank you for your support on this. Can we also remind you that you can buy a birthday book for your child for £5 and we are unable to allow you to park on site due to limited space. Thank you for your understanding.

Enjoy your weekend.

Mrs Aharon & Mrs Goodwin

### World Book Day

The children had a wonderful day in their onesies and pjs to celebrate World Book Day. The children enjoyed story time with different teachers and took part in themed activities. At lunchtime Peter Rabbit surprised us with a special visit to share in his tea party with the children. Thank you for supporting our themed day – it really brings learning to life and a fantastic learning buzz across the school. Here is Peter with his body guard!

We offer a HUGE thank you to our Kitchen staff for their hard-work in putting on such a delicious spread!

We will be emailing out a picture collage on Monday.

## Gymnastics

Congratulations to our gymnastics squad who represented Fair Field in the heats this week. Both teams performed incredibly well, finishing in 1<sup>st</sup> and 6<sup>th</sup> place. Thank you to Philippa & Helene for the hard work and dedication they gave the squad. We now progress to the Watford & Hertsmere finals, which we will be hosting. Here they are looking exceptionally smart in our new, exclusive leotards – designed by Helene just for us!

### Science posters

The 11<sup>th</sup> February 2020 was the international day of Women and Girls in Science. Miss Hyde led an assembly about some of the amazing female scientists around the world. She asked the children to draw themselves as a scientist as part of a whole school competition. The winners got their name in the diamond book and a scientific prize. Well done to the children who entered and congratulations to our winners!

### Girls' Football

Our Year 4 girls attended the Arsenal training ground to take part in a football festival this week. They showed great determination and improved steadily over the morning. We saw lots of impressive tackling, marking, dribbling and some goals too of course! You saw these future stars here first!

### Don't we look smart!

We now have our very own Fair Field rain jackets! The children will wear these to any events or competitions they attend when they represent the school. We have bought them for the children so we can look smart on trips. They will also be allowed to wear these in PE lessons.
