FAIR FIELD NEWS

Summer Term Issue 12.06.20

Dear Parents and Carers,

We've had another very successful week here at Fair Field. Google Classroom and Google Meets continue to thrive. Remember these are a great opportunity for your child to connect with other children if they are not in school. Check Google Classroom for the timetable. If the meet isn't convenient let us know and we can move them to another group.

We want to take an opportunity to thank all of our supports and those who have kindly donated to us. These include Wenzels, the Hare Krishna Temple, staff, parents and B&Q. Also thank you to Radlett Gym Club for continuing their services to existing members free of charge. If you know of any local businesses who may be able to donate to us, please get in touch. We are also after hoses, cardboard boxes, shoe boxes and disposable tupperware. If your child is currently attending school we would appreciate these, which we will spray on arrival or if you are able to donate via the turning circle we would be very grateful.

Thank you to those parents & carers who have responded to the survey. If you have not done so, we would really value your contribution so we can build a whole school picture.

A message from the PTA

I hope you are all keeping safe and well in these uncertain times. I just wanted to write to let you know what's happening with the PTA. We have been delighted to be able to support the joint St John's and Fair Field Covid Hardship Fund with a donation of £1000. We are currently working with the school to try to arrange a safe, socially distanced leaving ceremony for our outgoing Year 6. We also hope to be able to welcome the new Year 3's and their parents in some way. Obviously many of the fundraising and fun activities we had planned for this year have had to be cancelled like the Father's Day Disco and the Summer Fair, which will have a huge impact on loss of income for the school next year. Many members of the current PTA (including myself) will sadly be moving on at the end of this term as our children start secondary school. May I take this opportunity to thank Terri Smith (Deputy Chair) and Marissa Rapacioli (Secretary) and every other member of the outgoing PTA for their incredible hard work and fabulous enthusiasm over the years. It's been an absolute pleasure creating such wonderful memories for the children, and supporting such an amazing school. Without new parents coming forward to take up the vacant key roles of Chair, Deputy Chair and Secretary the PTA is not legally allowed to operate, and the school will be denied essential funds, and all the amazing disco's, fairs, film nights just won't happen. Luckily the lovely Julie Krantz has said she will stay on as Treasurer so at least the money is in safe hands!

If you would like to get involved in the fun and hugely rewarding PTA then please do get in touch with either myself (caron.curnow@gmail.com) or the school office.

Who knows how or when we can all be physically together again as a school, but in times theses we all need to pull together to support each other more than ever.

Stay well and stay safe.

Caron Curnow (Fair Field PTA - Chair)
