My hobby-lego

One of my hobbies is Lego I have so much! I like it because you can use your imagination and some times you need to use instructions. I first got into LEGO because someone gave to me it for a birth-day present and I thought it was fun. I would recommend it to others so you could be creative.

Hobbies Badge - Singing

By George Stephenson

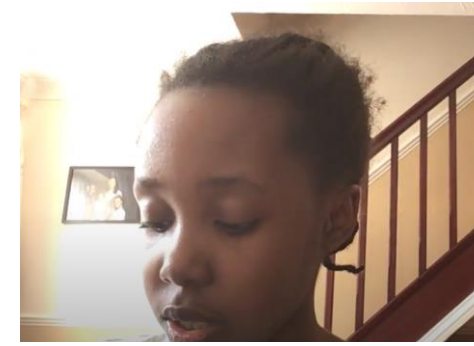

- I like that you can sing anywhere and anything.
- When I had a play date we were listening to the radio and a song I liked came on so we sang the chorus and I got better and enjoyed it.
- I have been doing it since Year 2, but started lessons in Year 3.
- Yes, because it is fun and you can do it on your own or with friends.
- I have lessons once a week, concerts through the year and can practice at home or in the car.
- It makes me feel happy because I can be free to sing whatever I want. It also makes me proud when I perform.
- There aren't really any rules, but I learn technique to get my singing voice better.
- I have performed at these places.
 - The Radlett Centre where I sang a trio of 'The Other Side' from The Greatest Show
 - The Radlett festival where I sang a solo of The Bear Necessities, which was one of my Grade 3 pieces.
 - Aldenham Church where I sang Little Drummer Boy with my brother Ollie on snare drum.
 - A local Church's services Christmas Natives concert where I sang a duet

Year 5

THE CONTINENT WITH THE MOST CHRISTIANITY FAITH

- Today **Europe** can still claim to have the most Christians, spread out over the continent, with over 558.2 million adherents to the faith residing in **European nations**. Yet, the continent can no longer claim to be the global centre of the faith - not with South America boasting 531.3 Christians, and their neighbours to the North claiming as many as 266.6 million.

WORSHIP

The definition of worship means to pay time and thought towards God or a sacred object. Lots of people worship a person or object.

- People are good and some people don't care.
- A) Habitat loss - animals get extinct
B) People are chopping down trees.
C) Littering in the sea.
D) Putting stream factories in the rainforest

Sports Enthusiast Badge By George Stephenson

LeBron James is my favorite player and he plays for LA Lakers

He is the best player in the world
He is a role model because he represents and supports communities

This is LA Lakers that is the team I support and play in the NBA and they are hoping to become champions for the 17th time
They have 4442 second 15 times
I watch them on TV because they are in Los Angeles, USA

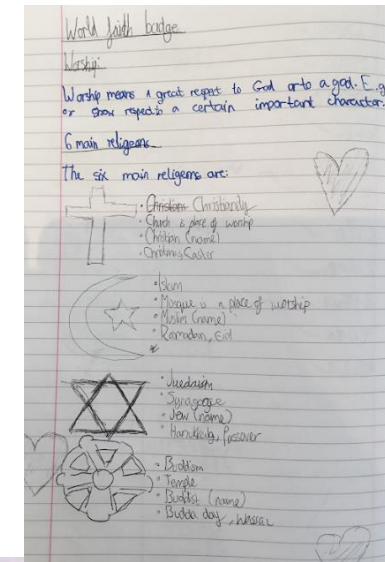

You can play Basketball at the local park or where there is a court
There is a team at Quads school
You need a net and a ball usually when playing you would wear a vest with your team on the front and sneakers and shorts

DIGITAL CITIZEN BADGE! BY HOLLIE NEALE!

SAVE ENERGY

- We need to save Energy in our homes. Here are some ways to save energy
- Turning off lights in rooms that we are not in
- Turning off the tap when we are doing our teeth
- Don't leave electrical stuff on standby
- Have a smart meter
- Clean dust from items so they work better
- Have showers instead of baths
- Use your washing machine at 30°C

GLOBAL ISSUES: WHAT ARE THEY?

Global issues are problems that are happening all across the world that could affect lots of people or our environment at the moment or in the future.

Some of these issues are global warming and homelessness. There are lots of charities and people supporting global issues but a lot of the time all of this is not enough to completely wipe out all of these problems.
