Wednesday 24th February 2021

Dear Parents and Carers,

We are so excited to be welcoming all our children back on 8th March. Our schools have been quiet without them.

We will be adhering to our strict **COVID Health and Safety** rules to keep our children and staff as safe as can be. Please can I remind you of the following:

- Face coverings must be worn by all adults on site when moving around the premises
- Parents/Carers/Staff should observe social distancing on site
- Staff will wear face coverings for drop off and pick up but not in the classroom during the day
- Children may bring a small bag with their water bottle, fruit snack, reading book and packed lunch (if appropriate) – these will be sprayed with disinfectant on arrival
- The school office is closed to visitors therefore, parents/carers should telephone or email
- Children of primary school age should not wear face coverings
- Children will stay in their year group bubbles
- Children will wash their hands a minimum of 6 times a day (arrival, before/after break, before/after lunch and end of school day)
- Children have access to hand sanitiser throughout the day
- Children may bring into school a small, labelled, hand cream if needed
- Children should be in full school uniform. There may be some exceptions such as school shoes until the Easter holidays but these need to be agreed via the school office.

The beginning and end of the school day will remain staggered however, please do make sure you are prompt in your time slot as it is disruptive for your child if they are late.

Mornings	St John's	Fair Field
8:30 – 8:40		A-L Surnames
8:40 – 8:50	A-L Surnames	M-Z Surnames
8:50 – 9:00	M-Z Surnames

We are currently designing a bespoke 3 week curriculum to take the children up to Easter. This will build on the remote learning, but also has a heavy focus on mental health and well-being. At both schools the children will have more opportunity for:

- Outdoor sports and play (to allow more opportunity for exercise and for the children to socialise with their peers)
- Daily PSHE (Personal, Social, Health Education) which may be formal or informal
- All lessons will be more kinaesthetic and hands-on where possible.

At both schools we will be having themes for each week:

Week 1: Science Week

Week 2: Art Week

Week 3: Outdoor Pursuits

We hope the children will enjoy being back at school, whilst feeling safe and well cared for. If you have any further questions please do contact the school office.

Thank you, as always, for your support.

Yours faithfully,

Alice Aharon
Executive Headteacher
