## Autumn Term Issue 2

Friday 10th September 2021

FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

Children have enjoyed being back at school and we have enjoyed a little more normality after such a long period of lockdowns, bubbles and restrictions. We are looking forward to the children working with children from other year groups again and were reminded of the value of this today when Year 6 met their new buddies from Year 3. They chatted away, talking about school life and their interests and it was fabulous to witness. Today we appointed our house captains and introduced them to the rest of the school. Next week they will be introducing them to our wider community through this newsletter. Nothing makes us prouder than to watch our children challenge themselves, learn and work as a team and with the reintroduction of school sports events we are hoping it will be a busy year to be active. More information will be coming out about trials for football, tag rugby and netball over the coming weeks and we will also be looking to select a Year 6 table tennis team and a cross country team for Years 3-6. If your child is interested we encourage them to come and get involved. Wishing you a good weekend.

Mrs Goodwin & The Fair Field Team

### Year 5 Brass Band

On Monday Year 5 will begin learning the trumpet with Dee and Paul from Brass Band England. The project is called Proms in the Playground and finishes with a performance which you are all invited to. You can follow their journey on twitter. The children have the option to take their instrument home after a few weeks to practise between the sessions. There will be a home school agreement for this on Gateway for you to sign to give your permission.

England

### Voice In a Million

We are excited to announce we will be attending Voice In a Million (VIAM) in March 2022! This event is held at the SSE Arena in Wembley and collates thousands of children to sing together. As we were unable to attend in 2020 we are looking forward to taking as many children as possible. You can read more on the letter attached to the newsletter email or speak to Miss R Gray (4 Rowling) for more information.

### Free school meals and additional support

As you are aware, for children in Year 3 and above to obtain a free school meal you need to personally apply. Unlike the Infants when it falls under the Universal Free School Meal Scheme.

In addition to this, some children are also eligible for extra funding called Pupil Premium, which is spent directly on improving your child's education and well-being.

This funding needs to be applied for and we are offering to do this on your behalf. Please see Mrs Gillam for more information. In order to check your eligibility, complete the form online via the following link.
