FAIR FIELD NEWS

Summer Term Issue 1

Dear Parents and Carers,

Welcome Back and a warm welcome to our first Fair Field News of the year. It has been beyond pleasurable to welcome back children, parents, carers, grandparents and staff this week. It is especially lovely to see those who were unable to return last term. We enjoyed meeting and getting to know our new Year 3 children, who have settled fantastically well over the last two days. We have had the opportunity to meet “virtually” for two assemblies, which has certainly been a new experience for us all! You will, I am sure, have noticed that we have needed to make some changes to the beginning and end of the school day and we appreciate your patience and co-operation as we adapt into new ways. The children have been so brilliant in school at following our new rules and systems. Please see below a more comprehensive explanation of our one-way system. More information will be coming out next week for extra-curricular opportunities and how we will be setting homework. Homework will be issued on Thursdays and should be completed by the following Tuesday. It will be set on a variety of online platforms including Google Classroom, Purple Mash and TT Rockstars. In the meantime, please encourage your child to access TT Rockstars and read. The children are very welcome to wear their lanyards and continue to earn new badges this term. Year 3 will receive their lanyards next week. Finally, every year group has two PE days. They should come to school wearing their PE kit on these days. Our PE kit is a plain or logoed white t-shirt accompanied with either a plain black or bottle green tracksuit. Thank you for all your support.

INBOUND MESSAGES from GATEWAY: 01923 750 087

The one-way system at Fair Field Junior School

Mornings (Surnames A-L 8:30 – 8:45am and Surnames M-Z 8:45 - 9:00am)

There are 3 points of entry in the morning

1) Back gate (ENTRY ONLY)

People walk through the alleyway and down the side of the playground. If they are going into a Year 5 or 6 classroom, they go straight to their classroom. If they are going (which includes taking a sibling) to a Year 3 or Year 4 classroom, they continue through the playground into the staff car park. They walk on the pathway behind the stationary vehicles and the kitchen, and around the building past the office and Mrs Aharon's office. This takes them into the lower school playground.

2) Vehicle gate

Children are dropped from 8:30am or from 8:45am on the turning circle, they walk through the lower school playground and onto the upper school if appropriate.

3) Front gate

Only Y3 parents/children* will use this gate in the mornings, unless prior agreement. This gate is next to the vehicle gate so please be careful if crossing. It is much safer to arrive through the back gate in the mornings. If you need to use this gate the adult and child walk up the path into the playground. The adult then continues walking around the one-way system past upper school, through the staff car park and out the side front gate on Watford Road.

*Please note that Year 3 parents/carers should be encouraging their children to walk by themselves by the end of September, if not before.

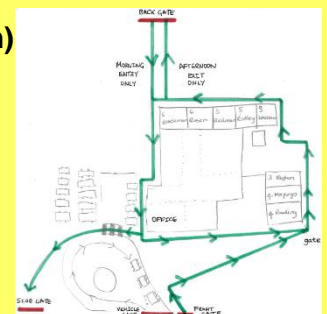

Afternoons (Surnames A-L 2:45 – 3:00pm and Surnames M-Z 3:00 – 3:15pm)

There is 1 point of entry in the afternoon

1) Front gate

Parents/Carers should park at the back of school, walk around school and through the front gate, next to the vehicle entrance. They then follow the one-way system into the lower school playground, upper school playground collecting children as appropriate and then exit either through the back gate (EXIT ONLY) or the side front gate on Watford Road.

- If Y6 children are collecting siblings, they walk round the one-way system on the pathway in the staff car park and round the office, past Mrs Aharon's office into the lower school playground.
- Y6 children can only exit through the back gate independently – not the front side gate.
