FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

This week has been one of mixed emotions for the Fair Field community. Whilst we remain positive and energised from the return of the children, we are all saddened by the loss of a wonderful mother in our community, Deborah Ram, and our thoughts remain with her family.

Following on from Science Week, we moved onto Art Week and we are blown away by the wonderful masterpieces the children have created. Through a variety of mediums they have all independently sketched, painted, chalked and coloured a project of their choice. A few are displayed in the gallery below and I am only sorry I couldn't choose more! We hope you are able to display them proudly in your home. We will be placing an order for white A3 frames, priced at £7. If you would like us to order one for you please make your payment on Gateway by Thursday 25th March.

As we approach the Easter holidays, we host the last of our bespoke back to school weeks - Outdoor Pursuits. The children will be making outdoor ovens, taking part in den building, orienteering and exploring in nature. Please provide them with some old footwear or wellies in a named carrier bag. We also ask if you have any old sheets that we can borrow for our den building, please send them in on Monday!

Thank you for supporting comic relief today—the children looked so vibrant and cheerful! Lastly, we look forward to seeing all the 'eggcellent' creations for our Eggstravaganza on Friday!

Governors

A message from our Chair of Governors, Jane Williams. Governors have not been very visible around the school but have been actively involved in school over the past long year. We have kept in touch with school via Zoom, of course, and have dipped into the occasional Google classroom by invitation. All our regular meetings have carried on and extra have been included where needed to be sure our safety measures are the best.

We are very proud of our school and the brilliant leadership team we have at Fair Field.

F Factor Superstars

FAIR FIELD
JUNIOR SCHOOL

CLASS	Super Star	For...
3 Walliams	Bridie	This girl is such a credit to our school. All year, this superstar has been a joy to work with. This week I have been even more proud of her than usual as she initially was a little worried about the art. Having said that, she persevered and her work is incredible. Well done Bridie!
3 Blyton	Ela	Truly demonstrating the Fair Field value of perseverance. You really pushed yourself to succeed in both Maths and Art this week and I am so proud of your efforts and determination. Well done!
4 Morpurgo	Vrinda	Creatively producing a stupendous art project. For using your observational skills carefully and paying attention to every detail you have produced a masterpiece to be proud of.
4 Rowling	Jesse	Having an amazing attitude towards your learning this week. Your focus, participation and commitment to your handwriting has been phenomenal.
5 Ridley	Arjun	Setting a good example to others in class and contributing to our learning with confidence. Keep it up!
5 Pullman	Daniel	Amazing behaviour, choices and work produced every single day. You should be so proud of your efforts, particularly when you have found it hard.
6 Rosen	Finn	Showing real patience and focus in Art week. Your determination has resulted in you producing a piece of work you should be really proud of.
6 Blackman	Sienna	Taking pride in her work this week and producing a beautiful piece of art based around fruit.
