## Spring Term Issue 2

Friday 15th January 2021

FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

Congratulations on making it to week 2 of Home Schooling and what a fantastic job you are all making of it! The attendance, standard of work and enthusiasm is brilliant. This week we added a pre-recorded slot on Wednesday afternoons to allow the teachers planning and marking time and a Live PE session with Mr Flynn on Thursday afternoons. These times are here to stay. From next week there will be some slight adjustments to the timetable to accommodate for feedback and staff observations over the past two weeks. Our aim is to make the home schooling process as easy and manageable for you and the children as possible! For this reason, subsequent learning packs are available to collect on Monday. Please see below for timings. If these times don't suit please arrange with the office to collect at another time. Over the coming weeks we are seeking to put together a timetable of inspirational speakers to talk to the children. Please read more below and be in touch if you can help.

Take Care

Mrs Goodwin & The Fair Field Team

### Home Learning Packs

We have compiled a new set of Learning Packs to support the children's home learning over the next 4 weeks. We wish to thank parent Josh Finn for the generous support given by him and his company, which hugely alleviated the printing costs and time allocated. We have also had another offer from Village Estates in Radlett. If you know anyone who may be able to offer the same support please encourage them to get in touch. Mrs Naseby has posted our plea to the Radlett Facebook Page! The children will also be collecting lined and squared exercise books to work from.

Please collect your packs on Monday 18th January from Fair Field at the following times. If you have more than one child at Fair Field or St John's schools, please collect the sibling packs at the **younger siblings time**.

**Year 5 2.30pm**

**Year 6 2.45pm**

**Year 3 3.00pm**

**Year 4 3.15pm**

### Aspirations Week—Monday 8th February 2021

The week commencing Monday 8th February we will be hosting a Virtual Aspirations Week. The children will take part in a range of activities across the week focused on thinking about their future career prospects. To inspire them, we are seeking offers from volunteer speakers. If you, or anyone you know, is interested in talking about their career to a class or the whole school please get in touch.

Do you know anyone with a really exciting job who could be encouraged to give up half an hour online? Do you have any contacts to anyone in the public eye? We would love to hear from them too! Many thanks!

### PE Live with Mr Flynn

It was brilliant to see hundreds of Fair Field children, their siblings and even some parents active online this week alongside our children in school
