Summer Term Issue 8

Friday 11th June 2021

FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

We have had an excellent start the last half of the summer term. The staff have been working very hard to prepare for a fun-filled, educational busy half term ahead! And the weather has been kind to us too. Please make sure the children are coming to school with sun cream applied, water bottles and hats to stay safe in the sun. The children may bring in a labelled sun cream to reapply themselves during the day.

Sadly we have made the difficult decision to not go ahead with our summer fair. The Covid risks unfortunately outweigh the advantages and we would rather be cautious at this time. I think you'll agree that it is better to have the children in school, than increase risks to having to isolate.

All the children are learning about 'Changing Me' in PSHE (Personal, Social, Health, Education) this half term. If you are interested to know more about this, please look at our school website under the curriculum tab. Mrs Aharon is hosting a virtual meeting on Tuesday next week for those that would like further information. Have a wonderful weekend.

Mrs Goodwin & The Fair Field Team

Eat Them To Defeat Them

This week we launched the Eat Them to Defeat Them initiative, which encourages children to eat more vegetables. The evil vegetables are back, but children haven't been sat idly – no, this is the moment they've been waiting for! Each week has a different theme and the children embraced tomatoes this week! For more information visit
