

7<sup>th</sup> March 2022

Dear Parents/Carers,

Next we will be celebrating British Science Week and the theme of the year, which is **Growth**. On Monday 14<sup>th</sup> March we have invited the children to come into school dressed as the job they would like to have when they grow up. Some examples of this may be: a footballer, a gymnast, a vet, a doctor, a teacher, a scientist – they do not have to be science related.

This activity is completely optional and we ask that you not to buy a new costume just for this event. If your child does not want to dress up or you do not have a costume that reflects their job, they can wear school uniform as normal. It is **not** a non-school uniform day.

There is still time to make a donation of up to £5 for the week on gateway. Thank you for your support.

Kind Regards,

Miss Hyde  
Science Coordinator
