- New for 2018, Jungle Heights. It combines adventure play at dizzying heights, suspended net mazes, tunnels and a huge net trampoline.
- **Skip, hop and bounce through ‘The Chase’, two** dual net bridges, suspended up to 34feet off the ground, then squirrel through **a six-story net tower**, to climb high up into the treetops.
- Discover **‘The Cube’... a suspended maze**, divided into nine rooms providing a truly towering adventure! Climb tree-to-tree to suspended **net tunnels, bouncy rope bridges**, and the bounciest adventure of them all, **‘The Big Bounce’** a giant ten metre **net trampoline** surrounded by net walls of up to three metres!

Carisbrooke Castle

Experience what life was like at Carisbrooke Castle for the people who lived there. The castle has experienced sieges, imprisoned kings, seen off the Spanish Armada and spans over 1000 years of history. Carisbrooke has been an important focus of settlement since Roman times and illustrates the domestic side of castle life as well and its role in use for attack and defence of the island.
