Spring Term Issue 10

Friday 18th March 2022

FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

Today marks the end of Science Week at Fair Field and what an incredible week it has been! The children have looked at growth from lots of different viewpoints. They have thought about their personal growth by coming into school dressed as their dream career; the growth on other planets by creating a Mars creature; the growth of plants by putting together their own ecosystem jar and finally, how to grow the earth by making their very own plant-based burger. The sporting successes continued this week with both our hockey teams reaching the Watford Partnership finals and our netball team putting on a fantastic performance against Radlett Prep. Year 5 also had a great game of water polo today during their swimming lesson.

Today we finished the week learning about the Hindu festival of Holi in a fully immersive way. The children (and staff) had a fantastic time! Thank you to those who supported Red Nose Day too, we had some brilliant accessories.

On Monday the children have their class photos so please ensure they have correct uniform. We have been informed some children have singing exams, please try to bring your child in beforehand if this is possible and we will try to get their photo done beforehand. Year 3 should bring in their PE kit to change into for the afternoon.

Meet our Governor

Simon has lived in the Radlett area with his family for over 20 years, with both his daughters attending Fair Field Junior School. He has a passion for improving the education for all and encouraging young people to achieve their best. Simon has been a governance professional for over 30 years and has held senior positions in major financial services businesses as Company Secretary, supporting their Boards and management teams in improving decision-making. Simon is a keen runner and cyclist and whenever possible, enjoys travelling with friends and family.

CLASS	Super Star	For...
3 Walliams	Arnie	For showing an amazing attitude towards science this week. You are an incredible human being who has so much love for everyone. We are very lucky to have you in our class!
3 Blyton	Henry	Showing a keen understanding of our Science Week topic of Growth. You have fully immersed yourself into all the activities and shown a fantastic energy all week.
4 Morpurgo	Bridie	Your indomitable attitude towards your learning is admirable. Always willing, always keen. Keep it up.
4 Rowling	Zaahra	Tackling assessments with such a positive attitude, during your first week at Fair Field. You are a fantastic addition to our class.
5 Ridley	Charlie	You consistently approach tasks with 100% focus, a positive attitude and always try your best. Keep up the good work!
5 Pullman	Rassim	Your determination even when not feeling 100% really shows your commitment to achieving your best. Your efforts at everything, including assessments, has been exemplary.
6 Rosen	Tiara	For working incredibly hard and putting so much focus and effort into ensuring that your assessment results reflect your hard work. Keep it up!
6 Blackman	Magdalena	The most incredible enthusiasm during science week. You provided articulate ideas and had great energy!
