Fair Field News

Dear Parents & Carers,

The week begun looking at the roles and responsibilities during whole school assembly of the new Prime Minister, Liz Truss. Children have then thought about the roles and responsibilities they and others in the school community hold. Today we announced who will take on some of the key roles amongst the children and discussed their job descriptions, responsibilities and our expectations from them. Congratulations to our new House Captains, School Council and Meet & Greeters. Over the coming weeks we will be introducing other faces, including our Sports Council and Crew Leaders. Shortly, children will be deciding which crew they wish to join based on their interests. Each week we will also announce other awards winners including our F Factor Superstars, Lunchtime Awards and other accolades for areas of achievement.

Please take notice of the days of our sports trials below and send your child into school with their PE kit (or more specialist equipment if they own it). Year 4 will have an opportunity to try out for the Speed Stacking team - a sport involving the stacking and de-stacking of cups and fast as they can. No prior experience is required to join the trials and we encourage all children to have a go.
