FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

This week has been packed with energy, inside and outside the classroom. On Wednesday, Y6 visited the Lincolnsfield Centre in Bushey, a unique WW2 heritage site. Upon arrival, the children were greeted by the Billeting Officer, setting the scene back to 1939. They took part in various workshops, providing an opportunity to experience first-hand what life was like during the 1940s as they explored a 1940's house, experienced what it would have felt like to live through an air raid during the Blitz, worked in a Dig for Victory garden and went to school in a 1940s classroom.

3 Lime thoroughly enjoyed their first of 5 swimming sessions at a local Independent school, Habs Boys, who are kindly offering us swimming sessions for the children - using their fantastic facilities. Swimming is such an important life skill and we are so pleased to be able to offer this alongside our own provision.

Please be reminded to park responsibly at the back of the school. Today many parents were not being respectful of our neighbours. Final reminder that school photos are on Monday! Have a relaxing weekend!

The evening will be an opportunity to understand the process and options available.

This further session will detail the processes and requirements. It will also provide information on the South West Consortium Test, the sports aptitude test and entry criteria for selective schools.
