Fair Field News

Dear Parents & Carers,

This week was 'Keeping Myself Safe' week in school. Children have been looking at how to keep themselves safe, focusing on: fire safety, water safety, keeping safe online and road safety. To follow up the later, we ended the week with a visit from our local police officers. In a few weeks, the Fire Brigade will be visiting to follow up the work done in school with the children where, amongst other things, they will be discussing the importance of smoke detectors. This week we also learnt about Diwali, through an assembly led by Mrs Chotai. Thank you to all our Hindu children who assisted her and wore their traditional dress. A fantastic well done to all our cross country runners on today's efforts - just superb resilience, determination and teamwork! A mention to our 3 medal winners too!
