FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

As we come to the end of Friendship and Anti-Bullying Week, I have been reflecting on the abundance of kindness and empathy around our school. It is very heart-warming to see. Children have positively taken part in a variety of workshops, assemblies and activities to support the values of the week. This week we sent out further communication on our festive events—it is so important to have lots to look forward to as the nights draw in and the weather becomes more adverse. On this note, please ensure your child has a coat, hat and gloves in school for Winter so they can continue to enjoy playing outside with their friends and taking in the valuable fresh air during their breaks from learning. Thank you to all who supported our efforts for Odd Sock Day on Monday and Children In Need today. Celebrating our differences and supporting others is what makes the community of Fair Field so special. There were lots of fabulously designed socks, t-shirts and cakes, combined with financial contributions to support others less fortunate. Next week children will have a chance to represent a country with their house and compete in the "Fair Field World Cup". We are encouraging all the children to have a go, however participation is not compulsory. Those who do not wish to play football will be encouraged to take on other roles such as officiating, becoming official cheerleaders, recording scores and providing refreshments! You will receive more information about the dates your child is scheduled to play a match next week. Don't forget to send your child to school on Monday in a football kit or in their sportiest clothing.

#### Request from the PTA at St John's

If you are able to donate any unwanted Christmas jumpers/decorations please see below.

#### Shoe Box Scheme

This year we will be continuing to offer support to the Rotary Shoe Box Scheme—preparing shoeboxes of gifts for those less advantaged. We have received a delivery of these. If you are interested in making up a box please see the school office. There is further information on suggested contents, age ranges to choose from. They ask for an additional £2 in coins to be attached to the top of the box to support distribution.

Further information is available at:
