## Autumn Term Issue 11

### Fair Field News

FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

As part of Maths Week England, the children were presented with a chest with an unknown treasure. To open the treasure, the children needed to solve a series of challenges to determine where the keys were hidden. The tasks were designed to develop skills such as perseverance and collaboration and highlight their importance in their lives. At the end of the week, we came together as a school to try and use the information we had gathered all week to help identify the location of the keys. The children worked diligently and we managed to open the chest. Each child will have earned a maths week England badge and a chocolate coin. Thankyou for your support with Children In Need and the Poppy collection. As a school, we raised £466.10 & £134.71 respectfully for both causes. We are always keen to be involved with local projects. This week our 4 Sage Nature Nurturers enjoyed planting the scotts pine and bluebells with Dave from Open Spaces yesterday at Phillimore Recreation Ground. We can't wait to watch them bloom. Well done to all the children who produced such fabulous PLIPs this month on their heritage, which are proudly on display around the school. Enjoy the long weekend.

# Attendance

FAIR FIELD  
JUNIOR SCHOOL

Attendance at Fair field is currently not meeting Government guidelines. Children should be reaching attendances of above 95%. Next week we will be reaching out further to families whose child(ren) have low attendances and/or sporadic illness patterns to see how we can help. We will also be arranging meetings with the Educational Welfare Officer for families whose attendance is below 90%.

FAIR FIELD  
JUNIOR SCHOOL

The children had a lot of fun opening up the big chest during this week's F Factor, having worked hard to solve the codes and clues!
