Y6 Geography Field Trip – Monday 12th December

Dear Parents/Carers of Year 6,

We are excited to be holding our first Geography field trip to consolidate the children's learning on orienteering. Prior to the field trip, the children will use their grid referencing skills along with their knowledge of map symbols, to map out their preferred route on an ordnance survey map.

On Monday 12th December, we will travel by train from Radlett station to St Albans City, where the children will split into their 6 orienteering groups - each group will have an adult with them at all times. Using their pre-prepared routes, maps and compasses, each group will find their way to Verulamium Park via important landmarks of St Albans. At the park, we will have lunch and some free time, before returning back to the station and to school.

On the day, we ask that the children arrive to school at the usual time, wear their full school uniform, comfortable shoes, a waterproof coat and bring a packed lunch (no nuts, fizzy drinks or sweets, please).

The trip will cost just £2.50, which is payable on School Gateway. We will be back at school in time for a normal end of the day routine.

Yours sincerely

Mrs Hinton, Mr Forrester and Miss Gray
Year 6 Teaching Team
