Spring Term Issue 2

Fair Field News

FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

This week the children have immersed themselves in their learning. It has been so wonderful to see all the extended pieces of writing the children are producing and the ambitious vocabulary they are using. Yesterday, Mr Forrester and I conducted a 'learning walk' in maths and were able to share in the great practice taking place around the school. The behaviours for learning across all classes were exceptional and I feel very proud of how engaging our staff ensure the lessons are to maximise the children's learning and enthusiasm for maths! Yesterday also saw our Local Governing Body meeting (LGB) where I met with Governors to update them on school matters. They were very impressed with the progress reported, highlighting the excellent progress children have made from July to December. We also shared updates on our School Development Plan. Thank you to all our Governors for volunteering their time and expertise. On Monday we will be learning about Chinese New Year and which animal they are according to their birth year. All here at Fair Field would like to say 'Gung hei fat choi' to all the families in our school community who will be celebrating Chinese New Year this weekend. Hopefully next week will bring some warmer temperatures! Wishing you an enjoyable weekend

Mrs Goodwin & The Fair Field Team

Chinese New Year

Wishing all our families who are celebrating a prosperous and healthy Chinese New Year

Public Health Information

www.healthforkids.co.uk

A fun and interactive website for children to access health information, with also information for parents available.
