### Fair Field News

FAIR FIELD  
JUNIOR SCHOOL

Dear Parents & Carers,

We have had a busy week at Fair Field! On Monday a confident, articulate group of children from across the school held a whole school assembly on Chinese New Year. We are very lucky to have such a diverse community who can educate one another with the first hand experiences of their cultures and religions. On Wednesday, our football teams represented Fair Field at the Boreham Wood National Trust tournament. Both teams progressed easily out of the group stages, the boys not conceding a goal. The semi finals proved more challenging, with the boys narrowly missing out on a finals spot by one goal and the girls' game going to penalties. Some superb goalkeeping from Hannah saw us through to the finals and a screamer from Lucy crowned us the champions. They will now progress to the Regional Finals.

On Thursday, the children were fortunate enough to take part in a Science enrichment called "The really big, really small show" through The STEM Hub. This virtual event allowed children to meet scientists from National Physical Laboratory to learn the latest words for the biggest and smallest things in Science and engineering. The children were engaged and came up with some thought-provoking questions.

Mrs Goodwin & The Fair Field Team

#### Morning turning Circle routines

Entrance into and out of the turning Circle is LEFT HAND TURN ONLY. This ensures we help to keep the traffic moving safely. If you are seen turning right it not only upsets other Fair Field parents who are respecting the procedures but also other road users as it

significantly reduces the flow of traffic on the busy main road.

If you arrive at the turning circle on or after 8.50am your child is late for registration and will receive a late mark. Please ensure you are leaving early enough.

#### TT Rockstars Battle results

Please encourage your child to participate in the weekly class battles and win rewards for their class whilst improving their tables.

#### Miss Margolis - 4 Sage

Miss Margolis, 4 Sage's teacher, will be leaving us today for personal reasons. She has been into assembly this morning and then with us over lunchtime to say goodbye to the children. We wish her well and thank her for all her hard work at Fair Field.

Mrs Freislich has been teaching the class this week and will be teaching the children for the remainder of the academic year. She is excited to join the Fair Field community.

#### Dates for the diary

Monday 30th January - Y4 Cathedral

Thursday 2nd February - U9s Football (A)

Friday 10th February - U11s Football (A)

Wednesday 22nd February - PTA Bingo 7pm

Monday 27th February - Science Week

Wednesday 8th March - Y5/6 Fire Safety talk

Monday 20th March - Class & team photographs

Friday 21st April - PTA Film night
