FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

Yesterday was a very busy day in school. Our Hertfordshire Improvement Advisor visited to look at our Art and Reading. She spoke with subject leaders, looked at our books and curriculums and met with 30 pupils from across the school. She was very complimentary of our broad and enriching art curriculum and the skills and knowledge it gives the children. The children spoke with passion and understanding when talking about artists they have studied; were able to talk in depth about the messages and styles of the art and how it inspires them. She also observed how we teach reading and was impressed with the quality of teaching and learning across the subject. We wish to thank the PTA for the recent injection of funds to purchase reading books to support learning in the classroom. World Book Day was also a great hit! The children loved our 'Masked Reader' and everyone's costumes were so brilliant. The masked reader is on their Google Classroom if you want to have a go too! The children also wrote some incredible poems and enjoyed recreating their favourite book covers. Have a good weekend,

Mrs Goodwin & The Fair Field Team

Voice In A Million

We are looking forward to VIAM, which is in a few weeks. Nearly 100 Fair Field children will be attending with staff members. Today the children were given the words and practises will increase as we near the event. If the children wish to practise at home they can access the songs via the link on their Google Classroom or through this link.

If your child's class is closed on that day the children can come in at lunchtime. This is likely to be 3 Lime & 3 Jade. I will confirm next week.
