## Spring Term Issue 9

### Fair Field News

FAIR FIELD  
JUNIOR SCHOOL

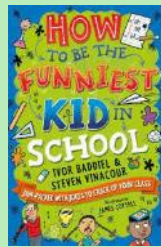

Dear Parents & Carers,

This week the children have immersed themselves in our Science Week theme Connections. Year 3 I became dinosaurs detectives and looked at their links to humans; Year 4 investigated biodiversity and our impact on the environment; Year 5 investigated neurodiversity and the brain and Year 6 studied energy. I wish to thank our science lead Mrs Abrahams and the staff for their hard work organising such a wide range of engaging and exciting activities for the children. Yesterday the Year 6s held a science fair, where Year 5 and 4 Sage carried out a variety of experiments and today the children came together to collaboratively share their work in our hall. On Wednesday over 80 children and staff visited Wembley Arena for VIAM, for an evening of song and unity in aid of Adoption UK. I wish to again thank the staff who were involved with a special mention to Miss Gray for organising the event. Well done to our Y6 football team who comfortably beat Monksmead this week and lastly thank you to our wonderful PTA team for their organisation of the Mother's Day gift sale today. Wishing you a good weekend.

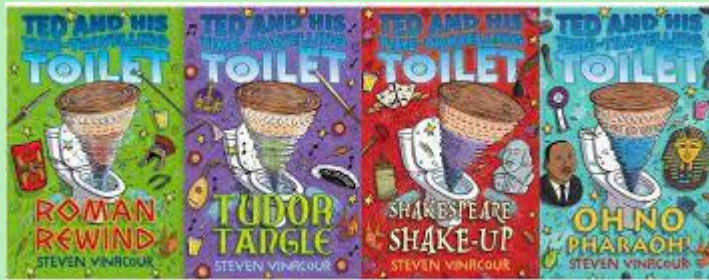

Mrs Goodwin & The Fair Field Team

#### Steven Vinacour - Author visit

Steven will be coming and signing copies of his books next week. We are excited for him to returning to Fair Field after visiting virtually during the pandemic!

Fair Field would like to wish all the female staff members, mums, grandmas and mother figures in our school community a Happy Mother's Day. Our thoughts are with those for whom Sunday will be a difficult day.

#### Using the back gate in the mornings for school drop off

Please can I remind all parents and carers that, whilst children can use the alley alone to enter the school site, parents & carers should be bringing their child to the bottom of the alley and ensuring they are on the school site before leaving. Children (apart from Year 6) should NOT be coming to school alone. Alternatively, you can walk the alley with them. Equally, children should not be dropped off in cars at the back gate or left from the other side of the road. The turning circle should be used if you wish to drop and go, remembering it is left hand turn only. Once they are on site, either at the front or the back of the school, members of school staff are present as they head to class.

**Monday 20th March - SATS Mock Week**

**Tuesday 21st March - Y6 boys Athletics finals**

**Tuesday 21st & Thursday 23rd March**  
Parents' Evenings

**Wednesday 22nd March - Author Visit - Steven Vinacour**

# Who are this week's F Factor Superstars?

| CLASS       | Super Star | For...  |
|-------------|------------|---|
| 3 Lime      | Harmony    | Her determination to make sure the classroom and equipment were spotless after we had been making salt dough fossils in science. You did not stop until the job was done. Great job, Harmony!   |
| 3 Jade      | Matias     | Having a fantastic attitude to learning. His focus and effort has been superb in maths this term. He is consistently playing TT Rockstars and he pushes himself to complete all his work to the best of his ability.  |
| 4 Pine      | Frankie    | Being able to 'think on the spot' and having a 'Can Do' attitude seems to come naturally for you. Impressive!   |
| 4 Sage      | Arianna    | Having an excellent attitude towards learning - always trying her best. She shows perseverance and resilience daily. Keep it up!  |
| 5 Teal      | Jessie     | For always pushing yourself and showing determination with your learning. You work well independently, in pairs and collaboratively within a group. You are pleasure to have in the class.  |
| 5 Mint      | Laura      | Always having such a fantastic attitude to her learning. Laura embraces every opportunity to challenge herself, even when working outside of her comfort zone. You've been a great partner too! Well done.  |
| 6 Emerald   | Lola       | Always having an excellent attitude towards her learning. Your focus and determination to continuously make progress and do your best makes you an outstanding pupil. I am also incredibly grateful for your help in and around the classroom.  |
| 6 Turquoise | Rennee     | Being our Science Superstar! For Science Week, Rennee used her initiative to research the 5 science experiments led by year 6 yesterday afternoon. She organised the hall with her helpers and created an incredible and exciting atmosphere for the rest of the school. We are extremely proud of you! |
| 6 Olive     | Sophiya    | Being a truly unique member of our community. Everyone will agree, you have been a delight to have in our school and we are going to really miss you. Best of luck with your new adventure. Your new school is so lucky to have you join them.  |

## Our lunchtime awards go to...

| CLASS  | Super Star | For...  |
|--------|------------|---|
| 3 Lime | Ciaran     | Having a brilliant week on the playground. You have made all the right choices and played cooperatively with your friends. Well done! |
| 3 Jade | James      | Always getting involved and making good use of his lunchtimes.  |
| 4 Pine | Alexandra  | Always showing kindness, understanding and considerations for others. Keep it up!   |
| 4 Sage | Temitayo   | He showed great kindness by making a new friend when he saw that this person was sad and lonely.                                      |
| 5 Teal | Iona       | Playing safely and taking care of our school playground and equipment.  |
| 5 Mint | Sam        | Having an incredible week and understanding that hard work brings success! Do More, Learn More, Be More!                              |
