Summer Term Issue 6

FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

What a fabulous week. You can read more on Aspirations Week below. I wish to thank Mrs O'Sullivan and our visitors for a brilliant week. These wider opportunities are so valuable for the children. Next week the children can collect their Fathers' Day gifts. Please complete any payments on the Gateway. Also next week, on Thursday in the school day, Y6 will be selling their products based on their market research as part of their Enterprise Week. Children may bring up to £4 to spend in a named envelope. We will be placing the tea towel order on Monday. If you are still yet to order one please do so before Monday morning.

Mrs Goodwin & The Fair Field Team

Aspirations Week

We have had an incredible week here at Fair Field filled with inspiration and enlightenment, all aimed at broadening our children's horizons and providing them with valuable insights into the vast array of job opportunities that exist. The primary objective of Aspirations Week was to ignite a sense of curiosity and motivation within our students. By introducing them to various professions, we aimed to help them explore their own interests and aspirations from an early age. We firmly believe that this exposure can have a significant impact on shaping their educational paths and future career choices. We are immensely grateful to all the parents and members of the community who selflessly devoted their time and energy to make this event a resounding success. Your support in organising interactive sessions and volunteering to speak to the children about your respective professions was truly invaluable. Through your involvement, you provided our students with first-hand knowledge and experiences that brought each job to life in a meaningful way. The interactive sessions, presentations, and workshops conducted throughout the week were nothing short of exceptional. We witnessed our students actively engaged and enthusiastic as they interacted with professionals from diverse fields. From solicitors and engineers to make up artists and canine assisted therapists, our children had the opportunity to learn directly from individuals who are passionate about their work. Your contributions not only expanded their understanding of different careers, but also showcased the wide range of possibilities available to them.

Mrs O'Sullivan

The GBDO National Finals

Congratulations to our dance troop who qualified for the National finals last term. Yesterday they performed in front of an audience of over 500 people and finished in 16th place out of 32 schools. We are immensely proud of what they have achieved.

Dates for the diary

Monday 12th June - Y6 Bikeability

13th & 15th June - Y5 mini police starts
