Summer Term Issue 7

FAIR FIELD
JUNIOR SCHOOL

Dear Parents & Carers,

What a lovely sunny week we have had! Thank you for providing your child with a sun hat and cream. The weather proved perfect for Year 3s trip to Kew Gardens on Wednesday. Please continue to do so through the remainder of the summer term. I would like to wish our cricket team congratulations for their success at the Watford & Hertsmere finals, they now progress to the County Finals. Today the PTA held the Fathers' Day gift sale in preparation for the weekend. The selection of gifts was incredible. We hope the children enjoying giving them to the special men in their lives. Thanks, as always, to the PTA team and in particular Mrs Bloom for driving these events forward. Wishing you a relaxing weekend.

Mrs Goodwin & The Fair Field Team

Year 6 Enterprise Week

Year 6 impressed us with their budgeting, marketing and sales skills this week. The end result, an enterprise sale for the rest of the school to enjoy, included the sale of sweet delights, savoury treats and slime! Thank you to parents and carers for providing the children with the money to support this project - which is so valuable in developing their mathematical, analytical, leadership skills alongside their social confidence.

Bikeability

This week, the Year 6s have taken part in Bikeability week. Before venturing out onto the road, the children completed level 1 on the playground where they were able to practise their skills and develop their confidence. Those who moved on to level 2 were then able to go out onto the road where the expert instructors lead the children onto quieter roads where they were able to experience 'real' cycling.

The children had a wonderful time mastering new skills and it was wonderful to see so many children come back to school feeling proud and confident about their achievements. In addition, the course has provided them with the competency to keep themselves safe and a deeper understanding of the highway code and other road users.

Dates for the diary
