FAIR FIELD
JUNIOR SCHOOL

Dear Parents and Carers,

Despite the torrential rain, we have had a great week! The children have completed some excellent learning across the school including writing their own folk tales in Year 5. From next week, we will be focusing on having real energy for learning here at Fair Field. This energy can come in all different forms – energetic, mellow, zingy and calm.

6 Rosen put on an excellent assembly for us – packed with lots of interesting information about Michael Rosen, WW2, the circulatory system & digestive system, long division & their class play Macbeth.

Today is chocolate milk day! Did you know that existed? The children talked about the benefits of milk to our body and we celebrated the end of the week with a little treat glass of chocolate milk – there were some milk “mooshes” across the school! Some children had the soya alternative, Mrs Goodwin & Mrs Abrahams included!

Wishing you a good weekend as we enjoy the sunshine...hopefully!

Mrs Goodwin and Mrs Aharon

Save our planet!

We have an entrepreneur amongst us. Ollie Fox in Year 5 is selling metal straws in a drive to raise awareness of plastic waste damaging our oceans and planet. The money raised will be split between covering the cost to buy them, donated to charity and raising funds for our school. The children may bring in £1 to buy these at lunchtime.

Meet our “Meet and Greeters”

We are proud to present to you our meet and greeters. They will be responsible for showing around any visitors with their positive attitudes to learning; infectious, smiley faces and great warm personalities.
