FAIR FIELD  
JUNIOR SCHOOL

Dear Parents and Carers,

This week Year 5 visited Kidzania – a virtual city in West London build for children. We were accompanied by Year 2 from St John's and had a brilliant day. The children were a credit to the school – demonstrating superb maturity & responsibility as they went around with their buddies. We received many lovely emails and messages from parents about the children who were in their care for the day, which made lovely reading. Thank you to all our parent helpers who volunteered and made the trip possible.

A reminder that next week we are holding parent consultations in the hall. Please make sure you have made an appointment. School photo letters can also be returned asap if you wish to place an order.

The NSPCC held an assembly reminding children on the Importance of speaking up if we are not OK and we launched Our celebration of Black History with an assembly. Some of our Children, pictured here, talked about their family heritage. Next week the children will be researching famous people in history alongside black citizens who became the "first" in their field.

Just ~£3 from the school office.

## Kidzania

We visited Kidzania in Shepherd's Bush with our buddies at St. John's, who are in Year 2. They will remain our buddies until they are settled into Year 3 here next year. Looking after our buddies required responsibility and nurture throughout the day and the adults said we did a great job! Kidzania is a virtual city for kids, run by kids and got us thinking about our aspirations for the future and what it is like to be an adult! We tried out a wide variety of jobs – such as news readers, reporters, fire fighters & vets – and were rewarded with Kidzos for our efforts.

Next week we will have a Kidzos shop on Wednesday at school for children to redeem them if they wish as the choices in the shop were very limited.
