Trip to Hazard Alley

Dear Parents and Carers,

As part of the school's Personal, Social and Health Education (PSHE) programme to encourage children to be aware of their individual and collective responsibilities, we have arranged a Year 5 trip to The Safety Centre in Milton Keynes on **Thursday 13th February 2025**

The Safety Centre, also known as Hazard Alley, is a purpose built hangar that includes a variety of everyday situations that, one day, a child may find themselves in. These include vandalism and how to deal with peer pressure, what to do if they see an accident or someone drowning, responding to a fire and the risks associated with playing near railway lines. Overall, there are around 9 different scenarios for the children to take part in.

Over the years, the success of Hazard Alley has grown and now the centre has the full endorsement of the Fire Prevention Service and the Police Force.

The children will leave Fair Field at 08.50am prompt. Please provide your child with a packed lunch and drink (but do not supply fizzy drinks).

The children will arrive back at school for normal pick up time.

School uniform should be worn, but we have been advised that it is a good idea for the girls to wear suitable trousers on this occasion and everyone should bring a warm coat.

The cost per child is **£29.50** and we can only proceed with this trip if we have the support of as many parents as possible. Please make payment via School Gateway by **10th February 2025**.

We are also looking for parent volunteers to join us on the trip. If you are able to help please indicate this on School Gateway.

Yours sincerely

Diane O'Sullivan
Assistant Head of School
