Parking on School Site

Dear Parents and Carers,

As part of our ongoing commitment to safeguarding our students and ensuring the smooth operation of our school, we kindly ask that parents and carers refrain from parking on the school grounds. While we understand that pick up can be a busy time, it is crucial for the safety of everyone on school premises.

Parking is permitted on the turning circle and staff car park **after 4:30 PM for The Zone** (After school club) pickup. Please ensure that no vehicles are parked on the school playground and if parking in the staff car park, please ensure staff cars are not blocked in.

Disabled parking spaces are designated for those with a valid badge and that will be leaving their car to walk to pick up children. Please make sure the school office are aware as they will add your name to our records.

Access to the grounds can be made through the back gate, Phillimore Place, or the front side gate. The back gate will be locked promptly at 4:20 PM.

We greatly appreciate your cooperation in maintaining a safe and accessible environment for all our students, staff, and visitors. Thank you for your understanding and support.

Kind regards

Mrs Davinia Leggett
