Parking in Local Roads

Dear Parents and Carers,

We have received several complaints from local residents, regarding parents parking across private driveways during drop-off and pick-up times.

Please be reminded that blocking driveways — even for a few minutes — is not only inconsiderate but can cause serious disruption to residents who need access to their homes. One recent incident made a resident late for an appointment after being unable to leave their property.

We ask all parents and carers to park safely and legally, showing the same courtesy you would expect outside your own home. Our school values good relationships with our neighbours, and your cooperation is essential in maintaining that.

Thank you for your understanding and continued support.

Kind regards,

Mrs Leggett
