Dear Parents and Carers,

Jonathan Drori – Author Visit

On Monday 6th October we are delighted to welcome Johnathan Drori to visit Years 4 – 6.

Did you know that there's seaweed in ice cream, cork in spacecraft and dandelion in truck tyres? Have you wondered how paper or thread are made, or why the mandrake is so mysterious?

The Stuff that Stuff is Made Of is about 30 lovely and special plant species, how they grow, why they matter, the things we make, or have made, with them and *how* those things are made.

The RRP of the book is £16.99, the Amazon price £13.19 and the Fair Field **price is £12.24, along with the workbook.**

To order your copy to be signed by Johnathon when he visits, please go onto Arbor and purchase your copy of the book **no later than Thursday September 25th** so that books can be ordered to arrive in time for signing.

Meeting authors and buying a book by someone that your child has met, is the perfect way to encourage reading for pleasure and grow knowledge.

Kind regards

Mrs O'Sullivan
